

## **EDUCATIONAL OBJECTIVES**

At the conclusion of the program, learners should be able to:

1. Translate subtle findings in the specimen to a more scrutinized diagnosis that addresses the gynecologist's needs.
2. Recognize the various clues in specific common clinical scenarios that need further exploration.
3. Differentiate between seemingly similar tumors which impact management planning.  
Describe the ancillary tests needed in commonly encountered clinical scenarios.

### **45th E.T. Bell Fall Pathology Symposium**

#### **“Gynecology and Breast Pathology”**

#### **Minnesota Society of Pathologists' Fall Seminar**

#### **“Clinically Relevant and Challenging Gynecology and Breast Pathology Cases”**

**Minneapolis, MN**

**October 30-31, 2020**

### **Disclosure**

It is the policy of Innovative Continuing Education, LLC to ensure balance, independence, objectivity, and scientific rigor in its CME activities. To comply with the Standards for Commercial Support of the Accreditation Council for Continuing Medical Education (ACCME), Innovative Continuing Education, LLC requires members of the planning committee and faculty to disclose the existence of any financial interest or other relationship he/she and his/her spouse or partner has with companies whose health care products or services are discussed in an educational presentation. The requirement applies to relationships that are in place at the time of the CME activity or in the 12 months preceding the activity.

The members of the faculty and planning committee for this conference have indicated that they have no relevant financial relationships to disclose related to the content of the CME activity.

Faculty members have declared that they will uphold Innovative Continuing Education, LLC's standards regarding CME activities and that any clinical recommendations are based on the best available evidence or are consistent with generally accepted medical practice. Please indicate in the comments section of the evaluation form whether you detect any instances of bias toward products manufactured by commercial interests.

**The following in kind support has been received for this activity: None**  
**The following commercial support has been received for this activity: None**

### **Accreditation Statement**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Minnesota Medical Association (MMA) through the joint providership of Innovative Continuing Education, LLC and the Minnesota Society of Pathologists. Innovative Continuing Education, LLC is accredited by MMA to provide continuing medical education for physicians.

### **AMA Credit Designation Statement**

Innovative Continuing Education, LLC designates this live activity for a maximum of **10.25 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
