

46th E.T. Bell Fall Pathology Symposium
“GI Pathology: Polyps and Other Bumps of GI Tract and Pathologist in Personalized Care of GI Patients”
McNamara Alumni Center
Friday, November 12, 2021
7:50 am- 4:15 pm

PROGRAM AGENDA

Morning: Polyps and Other Bumps of GI Tract

- 7.30 am Registration and/or Logging In
- 7.50 am Opening Remarks *Mahmoud Khalifa, MD, PhD*
- 8.00 am Gastric Polyps: The Old, The New, and The Confusing
Elizabeth Anne Montgomery, MD
- 9.15 am Familial or Not: How to Approach GI Polyps in Kids *Mark Luquette, MD*
- 10.00 am Cytology-Histology Combo for Pancreatic Neoplasms: Best Practice
Khalid Amin, MD
- 10.45 am Break
- 11.15 am W.H.O. Blue Book: The New and the Controversial *David F. Schaeffer, MD*
- 12.00 pm Answers To The Questions We Have Not Asked So far
Elizabeth Anne Montgomery, MD, Mark Luquette, MD, David Schaeffer, MD, Khalid Amin, MD
- 12.30 pm Lunch

Afternoon: Pathologist in Personalized Care of GI Patients

- 1.30 pm IBD and Immunotherapy Associated Colitis: Making Sense of the Small Changes
David F. Schaeffer, MD
- 2.30 pm Beyond FAP and Lynch: The Other Cancer Syndromes of the GI Tract
Oyedele Adeyi, MD
- 3.15 pm Break
- 3.30 pm A Potpourri of Small Intestinal Neoplasms *Elizabeth Anne Montgomery, MD*
- 4.15 pm Review and Adjourn

After completion of the evaluation form, CME certificates will be sent by December 1st. The evaluation link is: <https://www.surveymonkey.com/r/P2J9N5L> .

EDUCATIONAL OBJECTIVES

At the conclusion of the program, learners should be able to:

1. Review gastrointestinal polyps with emphasis on gastric, pediatric, and familial polyposis
2. Highlight current classification of gastrointestinal neoplasms with review of established and controversial aspects.
3. Review secondary impact of immunotherapeutics on the intestine with emphasis on IBD and other differential diagnoses.
4. Provide essential information on the molecular characterization of GI tumors from the surgical pathologist's perspective.

46th E.T. Bell Fall Pathology Symposium

“GI Pathology: Polyps and Other Bumps of GI Tract and Pathologist in Personalized Care of GI Patients”

Minnesota Society of Pathologists’ Fall Seminar

“Walking the Walk in Everyday GI Practice”

Minneapolis, MN

November 12-13, 2021

Disclosure

It is the policy of Innovative Continuing Education, LLC to ensure balance, independence, objectivity, and scientific rigor in its CME activities. To comply with the Standards for Commercial Support of the Accreditation Council for Continuing Medical Education (ACCME), Innovative Continuing Education, LLC requires members of the planning committee and faculty to disclose the existence of any financial interest or other relationship he/she and his/her spouse or partner has with companies whose health care products or services are discussed in an educational presentation. The requirement applies to relationships that are in place at the time of the CME activity or in the 12 months preceding the activity.

The following financial relationships were disclosed; however, no conflict of interest was found and/or was resolved prior to the activity:

David Schaeffer, MD Consultant: Alimentiv, Inc. Honoraria: Merck, Pfizer

The remaining members of the faculty and planning committee for this conference have indicated that they have no relevant financial relationships to disclose related to the content of the CME activity.

Faculty members have declared that they will uphold Innovative Continuing Education, LLC’s standards regarding CME activities and that any clinical recommendations are based on the best available evidence or are consistent with generally accepted medical practice. Please indicate in the comments section of the evaluation form whether you detect any instances of bias toward products manufactured by commercial interests.

The following in kind support has been received for this activity: None
The following commercial support has been received for this activity: None

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Minnesota Medical Association (MMA) through the joint providership of Innovative Continuing Education, LLC and the Minnesota Society of Pathologists. Innovative Continuing Education, LLC is accredited by MMA to provide continuing medical education for physicians.

AMA Credit Designation Statement

Innovative Continuing Education, LLC designates this live activity for a maximum of **10.00 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Course Director and Presenter

Oyedele Adeyi, MD

Professor

***Department of Laboratory Medicine and Pathology
University of Minnesota, Minneapolis, MN***

Course Faculty

Khalid Amin, MD

Associate Professor

***Department of Laboratory Medicine and Pathology
University of Minnesota, Minneapolis, MN***

Ulysses G. J. Balis, MD, FCAP, FASCP, Fellow AIMBE

Professor of Pathology

Director, Division of Pathology Informatics

Director, Computational Pathology Laboratory Section

Director, Pathology Informatics Fellowship Program

Department of Pathology

University of Michigan, Ann Arbor, MI

Mark Luquette, MD

Assistant Professor

***Department of Laboratory Medicine and Pathology
University of Minnesota, Minneapolis, MN***

Elizabeth Anne Montgomery, MD

Professor of Pathology, Vice Chair

Anatomic Pathology

University of Miami Miller School of Medicine Holtz Building

University of Miami, Miami, Florida

Azhar Saeed, MD

Molecular Genetic Pathology Fellow

***Department of Laboratory Medicine and Pathology
University of Minnesota, Minneapolis, MN***

David F. Schaeffer, MD

Head, Department of Pathology and Laboratory Medicine

Vancouver Coastal Health, Vancouver, BC Canada

Byron Vaughn, MD MS

Associate Professor of Medicine

Co-Director, Inflammatory Bowel Disease Program

Division of Gastroenterology, Hepatology and Medicine

Department of Medicine

University of Minnesota, Minneapolis, MN

**Minnesota Society of Pathologists' Fall Seminar
"Walking the Walk in Everyday GI Practice"
McNamara Alumni Center**

**Saturday, November 13, 2021
8:00 am- 12:30 pm**

PROGRAM AGENDA

8.00 am Registration and Logging in

8.30 am A Gastroenterologist's Perspective: My Interactions & Expectations from Pathology
Byron Vaughn, MD MS

9.15 am Molecular Characterization of GI Tumors: What the Surgical Pathologist Needs to Know
Azhar Saeed, MD

10.00 am Break

10.30 am Machine Learning and AI's impact on the Practice of GI Pathology: A Fresh Look
Ulysses G. J. Balis, MD

12.00 pm MSP Business Meeting
Krista Warren, MD, President and Mahmoud A. Khalifa, MD, PhD, President-Elect, Minnesota Society of Pathologists

12.30 pm Adjourn

EDUCATIONAL OBJECTIVES

At the conclusion of the program, learners should be able to:

1. Review gastrointestinal polyps with emphasis on gastric, pediatric, and familial polyposis.
2. Highlight current classification of gastrointestinal neoplasms with review of established and controversial aspects.
3. Review secondary impact of immunotherapeutics on the intestine with emphasis on IBD and other differential diagnoses.
4. Provide essential information on the molecular characterization of GI tumors from the surgical pathologist's perspective.

After completion of the evaluation form, CME certificates will be sent by December 1st. The evaluation link is: <https://www.surveymonkey.com/r/P2J9N5L> .
